

Scottish Masters Hockey National Squads 2022

Player eligibility statement and financial commitment agreement

For the 2022 Scottish Masters season this document records the eligibility statement and acceptance of the following financial commitment policy by the Player.

The Player is an eligible Scottish Masters Hockey Member who has been selected and agreed to represent a Scottish Masters Hockey squad at a particular tournament.

Once selected and agreeing to participate in a particular tournament representing a Scottish Masters Hockey squad during the Season 2022 the Player hereby confirms that they are fully responsible for their part of any non-recoverable costs associated with that particular tournament.

All non-recoverable costs shall have been communicated to the Player prior to any commitment being made by a Scottish Masters squad to any such non-recoverable costs.

(Non-recoverable costs may include accommodation, uniform, banners, gifts for opposition teams as well as the player's share of: pitch hire, tournament fees, management/coach/physio payments, and other shared costs.)

The Player may also be required to pay their training fee 'up front' for a series of training sessions. This fee is non-returnable in the event the player is unable to attend some or all of the training sessions.

Under normal circumstances this policy will be applied if the Player pulls out of the squad through injury or any other reason and no replacement is available or selected.

Failure by the Player to comply with the financial commitment policy may see them barred from selection for any future Scottish Masters Squad until any debt is paid in full.

I agree to abide by the SMH Player Financial Commitment Policy as set out above.

I confirm that I am eligible to play for Scotland Masters as highlighted below.
